

OSLO TO COPENHAGEN

Our Northern European adventure sets sail from the stylish Norwegian capital of Oslo. A day at sea brings us to Alesund, famed for its striking Art Nouveau architecture, before we cross to the fishing harbor of Kristiansund, where sampling local clipfish (salted cod) is a must. Two more Norwegian ports follow: Maloy, whose picturesque coastline is dotted with historic lighthouses, and Bergen, gateway to magnificent fjords and mountains. Then it's over to Kristiansand, a charming coastal city characterized by wooden houses and white-sand beaches. The next day brings us to Kiel in Germany, where you'll discover a rich naval heritage and a bustling canal that serves as a gateway to the Baltic. Our final stop is the fairytale city of Copenhagen, for an immersive two days spent discovering historic castles, striking contemporary architecture, and a thrilling culinary scene.
