

ROUNDTrip New York City

We begin our North American adventure charting a course up the wild east coast. Departing New York City, we sail to Portland, Maine, where a taste of its famous lobster and a culinary walking tour are practically non-negotiable. We then cross the Canadian border to discover the incredible marine wildlife of Saint John, New Brunswick, before encountering the proud coastal community of Yarmouth, Nova Scotia. In the eclectic city of Halifax, stroll along the bustling boardwalk and visit the historic Citadel for its spectacular harbor view. A final day at sea brings us back to New York.
