

QUEBEC CITY TO NEW YORK CITY

Embark on an 11-night voyage that takes place against the rich colors of fall foliage. Bidding a fond farewell to Québec City, we sail along the St. Lawrence River to Saguenay, where whales breaching the fjord make for a thrilling sight. Next, revel in the golden hues of the trees that grace Baie-Comeau and find out more about the region's flora and fauna at the Musée de la Nature. We continue to Sept-Îles, renowned for its pristine forests and lakes, before a day at sea brings us to Les Îles-de-la-Madeleine, to admire the rugged coastline and red sandstone cliffs. Now, Charlottetown, famous as the setting of the book Anne of Green Gables, comes into view. Next stop Sydney, the historical capital of Cape Breton, then Halifax, for fascinating maritime history. Entering the U.S., we come to Eastport, Maine, for a fresh lobster lunch, before more time on board Crystal Grace brings us to our final destination, New York City.
