

# PUERTO CALDERA TO SAN DIEGO

Puntarenas in Costa Rica marks the start of our exploration of the Pacific coast of Central America. First stop is the paradisiacal Playa Flamingo, to discover its sugar-white sands and cerulean lagoons. Next is Acajutla in El Salvador, within striking distance of the mangroves and mountains of El Imposible National Park, before we relax with a day at sea. Crossing the border to Mexico, we reach the palm-fringed beaches of Zihuatanejo, where dolphins and sea turtles play in the waves, and Manzanilla, beloved by anglers for the marlin fishing in its waters. The laid-back beach town of Puerto Vallarta comes next, followed by a couple of days on board, as we make our way across yet another border to the U.S. and our final destination, San Diego.
