

ROUNDTrip SAN DIEGO

An assortment of Mexican gems awaits cruisers taking this voyage from San Diego around Baja California. Get in the holiday spirit with two relaxing days at sea as we head south to the port of Manzanillo, a destination favored by sea anglers for its marlin-rich waters – or just relax on the beach. Next, we call by Puerto Vallarta, a laid-back city known for warmly welcoming members of the LGBTQ+ community. At Mazatlán, dine on seafood, admire the French baroque architecture, and sit on the sands in the shade of the palm trees, while Cabo San Lucas is the place to watch whales put on a magnificent show in the early months of the year, when they visit this area to feed and breed. All too soon, it's time to head back to San Diego.
