

SAN JUAN TO FORT LAUDERDALE

Put down that rum punch, it's time to quit people-watching in the bars of Puerto Rico's lively capital, San Juan, and go island hopping around the Caribbean. First up, Jost Van Dyke in the British Virgin Islands, where you can rub shoulders with yachties and take a dip in Bubbly Pool, Mother Nature's Jacuzzi. Then we cross to St John's in Antigua, to hit the beach – they say there's one for every day of the year here – or zipline through the rainforest. Glamorous St Barts is our next port of call, the little Caribbean island where you can shop like you're on Fifth Avenue, quickly followed by St Thomas in the US Virgin Islands – take the cable car into the hills for a grand overview. Relax now as we cross turquoise waters to our final stop, lively Fort Lauderdale.
