

# LISBON TO BARCELONA

We're putting the spotlight on Spain for this delightful springtime voyage, which begins with a sea day so you can get comfortable and settle into life onboard. Gibraltar is our first call; this British Overseas Territory sees more than 300 days of sunshine a year and has a proud military history, which you can learn about in its World War II tunnels and various memorials. Then it's on to Motril, our first stop in Spain, for lovely beaches or a trip to marvel at Granada's famed Alhambra. We travel along the beautiful coastline to dynamic Alicante, Valencia, the birthplace of paella, and picturesque Mahón on the island of Menorca, with its historic cobbled center. Finally, we arrive in the Spanish capital, Barcelona, where majestic architecture, designer shopping, and a world-leading food scene await your discovery.
